

How to Make a Pull Bead Rosary, St. Therese of Lisieux (the Little Flower) style

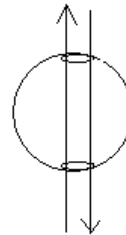

supplies: 53 circular pony beads (Hail Marys) + 6 heart beads (Our Fathers) + 1 crucifix + Miraculous Medal (optional) + twine = 1 Rosary

Burn the ends of the twine to reduce fraying and make it easier to bead. For bead type and twine size/length recommendations reference supply chart. String your rosary in the order as shown below, with twine going through the crucifix & beads in the direction of the arrows:

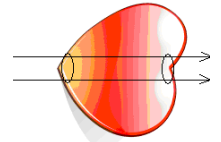

The sign of the cross & creed, Our Father, faith hope charity Hail Marys Glory Be & Fatima Prayer are prayed on these.

- 1st decade - 10 beads strung this way (twine in opposing directions)
- 2nd decade - 10 beads strung this way (twine in opposing directions)
- 3rd decade - 10 beads strung this way (twine in opposing directions)
- 4th decade - 10 beads strung this way (twine in opposing directions)
- 5th decade - 10 beads strung this way-NO heart follows, beading is completed

then a heart (both twine go the same direction).

“
“
“

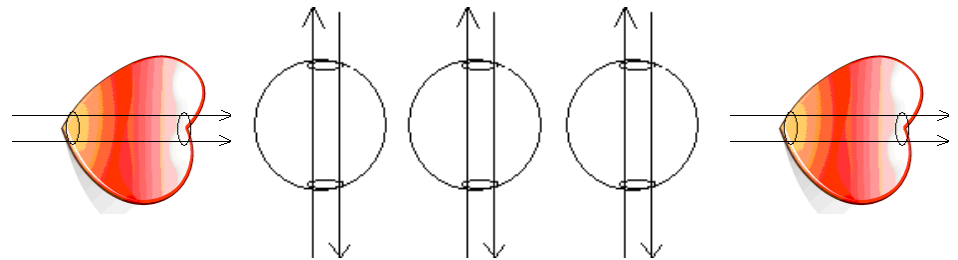

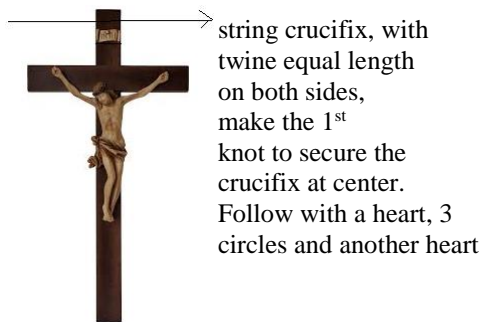

The Mystery, an Our Father, followed by 10 Hail Marys, a Glory Be and Fatima Prayer make up a decade. Each decade is prayed while contemplating one of the corresponding mysteries (1-5). These are either: Joyful, Luminous, Sorrowful, or Glorious

You now have a long string of beads. Straighten and tighten all the beads. Leave at least 1.5 inches of tie space after 2nd heart strung and a small enough space around the other hearts that they don't turn cockeyed. See the back of this sheet for a picture of the finished rosary.

1st barrel knot is made to secure the crucifix, then begin the beading.

Beads are strung in one long strand and include the 5 decades...

the second barrel knot is made after all the beads have been strung. The knot creates a circle of decades thus finishing up the rosary.

Instructions on how to tie a barrel knot:
