

Bead/Twine Supply Chart

Size of Rosary	Large (Wall or for classroom demonstration)	Medium (pocket or carry rosary)	Small (small pocket less bulky rosary to take to work)	
Beads	Large beads –recycled automobile beaded seats covers used for back comfort	6-9 mm pony beads and pony heart beads. This column lists the supplies used to make pocket Rosaries with students in the classroom	small decorative beads	
Twine	#36 – 3 strand twisted twine	# 9 to # 12 nylon twine – bonded Stock No. M20BK	BeadSmith Super-Lon Cord - Size #18 Twisted Nylon - Black / 77 Yard Spool	
length of twine per rosary	4 yards 2 feet	approximately 2 yards 30 inches	? varies	
Twine/Bead & Crucifix Supplier & contact info also see notes	Twine by Design at: twineguysales@gmail.com St. Vincents stores for beaded driver seat covers	Our Lady’s Rosary Makers P.O. Box 37080 Louisville, KY 40233 www.olrm.org/rosary-parts-and-supplies/ 502-968-1434 made by Brownell Twines Barrie, ON L4M 5K2 Canada	Catholic Parts Inc. http://www.catholicparts.com or https://www.giftscatholic.com 615-230-2095 and finally https://www.eversoncordage.com/twines	Walmart, Amazon, Beads Direct USA
<p>Note: -Bonded Nylon twine is recommended as it is coated so can be easily burnt after cutting to prevent unraveling and make threading beads easier. -Twisted twine seems to pull better than braided. I have run into inconsistencies when comparing twine sizes between different suppliers. More Pony Bead suppliers: https://www.ponybeadstore.com/products.php?cat=12 https://factorydirectcraft.com/catalog/advanced_search_result.php?keywords=pony+beads+solid+colors</p>
